

Sirs: I am writing to urge you to REJECT NAB's PETITION 04-160!!!I benefit from listening to XM Satellite Radio and Cirus Radio. Satellite Radio provides me with traffic, weather and programming not available elsewhere. Satellite radio provides me with choices not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I Respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM and Cirus Sat Radio the ability to provide the kind of programming that I demand and deserve.

Furthurmore your restrictive attitude towards broadcast radio is disturbing as well. I can decides on my own if I don't want to hear what some shows and stations broadcast. There are at least two knobs and each radio that allow me the choice to listen or not. One is the on/off knob and the other changes the station. That should be my choice, NOT YOURS!!

Sincerely,

Gene Slater..Longview, Texas
